Snap photos of your Sim & post the pics via social media with the hashtag #Simchella during the dates of the festival and for 1 week after. If you tag @Simchella.2020 on Instagram, Twitter or Tumblr we will share your pics!

The point is to have a fun weened knowing that the Sims Community is joining in while filling social media with Simchella pics like the real Coachella! Unfortunately Coachella is solely online this year due to Covid, so I hope you have fun with Simchella like you would at IRL Coachella!
